20 January 2014

Dear Samantha,

Outline planning application S/OUT/13/1555 for a sustainable urban extension for up to 2,380 dwellings, a mixed use local centre and mixed use areas, community uses, sheltered accommodation, a primary school, green infrastructure including formal and informal open space, sports facilities, sustainable drainage, engineering works including ground re-modelling, other infrastructure, demolition and the formation of new accesses from the A420, Old Vicarage Lane, Thornhill Road. Eastern Villages Land North Of A420 South Marston and Rowborough Swindon.

Matters for consideration: **Access**
Matters to be subsequently reserved: Appearance, landscaping, layout, scale.

1.1 Thank you for the opportunity to comment on outline application S/OUT/13/1555 for 2,380 dwellings (and other associated development) on Eastern Villages Land North of the A420 South Marston and Rowborough.

1.2 The Vale of White Horse District Council wish to lodge a holding objection to this outline application.

1.3 Our principle concern is the need to ensure that the growth of the eastern villages will deliver sustainable development and provide the appropriate levels of infrastructure to reduce the impact of this development on the surrounding areas in the Vale of White Horse District and in Swindon.

1.4 We would be pleased to work with you to ensure a greater understanding of what is planned and how the impact will be mitigated. Our members are also keen to enable a greater community understanding of what is proposed.

1.5 We hope to forward you a copy of our full response later this week.

1.6 Meanwhile, please do not hesitate to contact either myself or Mohammed Azram (Planning Policy Officer), if you have any further queries in regards to this.

Yours sincerely,

Sandra Fryer
