Dear Mrs Tanya Cosford

Re: Discharge of condition 59 (Thames Water – Waste Water) from previous outline permission S/OUT/13/1555.
At: Land North Of A420, New Eastern Villages, Swindon

I write in reference to the details that have been submitted in relation to the above planning application.

Condition 59 – Thames Water – Waste Water

I can confirm that the below details, submitted to the Local Planning Authority on the listed date are sufficient in so far as they relate to the requirements of this condition. Condition 59 is hereby discharged.

- Proposed Development Land North of A420 - South Marston & Rowborough, Swindon – Foul Water Drainage Report (Rev 2 – 31/08/2022) (submitted 1st September 2022)
- Foul Water Drainage Layout Plan (Drawing No. 1335-SK-115 Rev B) (submitted 5th August 2022)

No discharge of foul or surface water from the site shall be accepted into the public system until the drainage works referred to in the strategy, including any interim arrangements, have been completed in accordance with the approved drainage strategy and retained in the approved form.

The works shall be carried out in accordance with the approved details.

Yours sincerely

Edward Snook
