Dear Ed,

LAND KNOWN AS SOUTH MARSTON AND ROWBOROUGH, LAND NORTH OF A420 - LPA REFERENCE S/OUT/13/1555 APPLICATION TO DISCHARGE CONDITION 6 (PHASING DETAILS)

On behalf of Hallam, Hannick and Taylor Wimpey (HHTW), we are pleased to provide you with relevant information to seek the discharge of Condition 6 of Planning Application S/OUT/13/1555 which was approved by Swindon Borough Council on 11th August 2021.

Condition 6 states:

'*Prior to the submission of the first reserved matters application, a phasing plan shall be submitted to and approved in writing by the Local Planning Authority to show how the development shall be implemented in phases. The phasing plan shall include the following elements:*

a) The development phases;
b) Major distributor roads/routes within the site, including a defined hierarchy of the road network,
c) Phased access strategy delivery and associated phased housing delivery;
d) Pedestrian / cycle connectivity to committed and emerging parcels of development within the New Eastern Villages;
e) Local centres and community facilities;
f) Strategic foul and surface water features and sustainable drainage systems; and,
g) Strategic landscaping, recreation and open space.

The development shall be carried out in accordance with the approved phasing plan.'

HHTW has already secured approval for Phasing details under reference S/COND/21/1998. This submission seeks a variation to that approval solely related to the phasing of South Marston, and its delivery as two sequential phases. We have also taken the opportunity to identify the South Marston sports pitches, NEAP/LEAP and community building in Phase 2 to better align with the agreed occupation triggers in the S.106.

This application submission comprises the following information:
