Application ref:
S/AMEND/21/1881

Dear Ed,

RE: Section 96A of the Town and Country Planning Act 1990 (as amended)

LAND NORTH OF A420, EASTERN VILLAGES: NON-MATERIAL AMENDMENT ('NMA') TO VARY CONDITIONS 9, 27, 41, 47, 49 and 61 OF EXTANT OUTLINE PERMISSION S/OUT/13/1555

The above application was submitted to Swindon Borough Council (SBC) on the 1st December 2021 (application ref: S/AMEND/21/1881), with respect to vary conditions 9, 27, 41, 47, 49 and 61 of outline permission S/OUT/13/1555, which was approved by SBC on 11th August 2021.

Following discussion with the Consortium, we now seek to amend only the proposed wording to Condition 49 (Noise 3). This update has been submitted to supersede that submitted in December 2021 and the subsequent update in February 2024.

The amended wording sought is presented below as track changes:

<u>CONDITION 49 – NOISE 3 – MECHANICAL VENTILATION</u>

Where the internal noise levels in bedrooms and living rooms specified in Noise Condition 2 will be exceeded with windows partially open by the dB ranges identified below, details of suitable ventilation systems shall be submitted to and approved in writing by the Local Planning Authority in accordance with the following ventilation systems as defined in Building Regulations Approved Document F (2010):

a) <~~=~~~~$~~5dB: ADF System 1, 2, 3 or 4
b) 5dB - 10dB: ADF System 3 (MEV) or 4 (MVHR)
c) <~~=~~~~$~~10dB: ADF System 4 (MVHR)

Reason: To ensure an acceptable living environment is provided for all occupiers of the development.

We hope that this information is satisfactory but if you have any questions or concerns before determination, please do not hesitate to contact me so that these issues may be resolved to ensure that the application can be progressed and approved without delay.
