For the attention of Miss Sam Howell

Dear Miss Howell

EASTERN VILLAGES, LAND NORTH OF A420 SOUTH MARSTON AND ROWBOROUGH, SWINDON

I refer to my letter of 10 December 2013 issuing a Direction of Non-approval for a period of 6 months in relation to the above-mentioned planning application.

Productive discussions have been ongoing between all parties and significant progress has been made since December 2013. Also, recommendations for further work have been accepted by the applicant. However, we consider that the following outstanding issues have yet to be resolved:

1. Further Modelling for an opening year is being undertaken. The consultants are devising a revised mitigation package. This is yet to be submitted to SBC and the HA

2. The travel plan is being addressed but has not yet been finalised to the satisfaction of both SBC and the HA

3. Further work is being undertaken on the public transport strategy.

Given the outstanding information that is required we consider it necessary to renew our Direction of Non-approval for a further 6 months. Should the applicant address the outstanding matters to our satisfaction, inside the 6 month period, we will lift the Direction of Non-approval. The lifting of the direction will most likely be subject to a request for planning conditions to be implemented as part of any permission granted.
