**Subject:** Planning Application S/OUT/13/1555

From: Tony Leathart, 2 Jasmine Cottages, South Marston SN3 4SB

The application refers to a 1Form Entry Primary School in the development area as an alternative to rebuilding the existiing 0.5Entry Primary School. The location to the South of the development area is a much safer place for pedestrians and children and would prevent Old Vicarage Lane from being blocked in the future when children are dropped off and collected from the rebuilt school. The planned car park there will be too small to allow all cars to use it for this purpose. An opportunity will be missed unless SBC speak to HHT about locating a new 1.5Entry School in the development area in a much safer location without traffic congestion on the main thoroughfare to Pound Corner and Rowborough village from the A420 - Old Vicarage Lane. The money spent so far on the rebuilt school design has been badly spent (there are real concerns from the residents about the urban design) and should be stopped before there is further waste on a foolhardy project which at £4.5M will be as much as the cost of a new school in the right place nearer to the centre of the expanded village. There are many ideas for raising money from alternative uses of the land currently occupied by the existing school.

Regards,
Tony
