Dear Ed

Thank you for providing National Highways with the opportunity to comment on the above application to discharge planning conditions 33 and 34 in relation to residential-led development consulted in outline under application S/OUT/13/1555. The conditions related to highways improvements at M4 junction 15 and A419 White Hart junction respectively.

We are satisfied that for planning purposes, both schemes have been completed and open to traffic and that the requirements of conditions 33 and 34 have been met.

Kind regards
Gaynor
